# 1957

TO ITS TRADITIONS, ITS PRINCIPLES, AND ITS FORWARD VISION, WE OF THE SENIOR CLASS PRESENT OUR PICTORIAL REVIEW OF THE COLLEGE YEAR WITH THE HOPE THAT IT IS A TRUE REPRESENTATION OF THE FACULTY, STUDENTS, AND SPIRIT OF ROLLINS COLLEGE. BASED ON THE PRINCIPLE THAT ALL EDUCATION IS SELF-EDUCATION, ROLLINS HAS PROVEN THAT THE GREATEST THING A STUDENT CAN ACQUIRE IN COLLEGE IS THE ABILITY TO LIVE AND WORK IN HARMONY WITH HIS FELLOW MAN THROUGH MUTUAL UNDERSTANDING, A SPIRIT OF CO-OPERATION, AND A GENUINE BOND OF FRIENDSHIP AMONG MEN OF GOOD FAITH.

## DEDICATION

Perhaps the phrase "sweet humility" best describes the devoted friend and benefactress of Rollins College to whom this Tomokan is dedicated. Her deep interest and great affection for Rollins establishes Jeanette Genius McKean an honored place in the hearts of the Rollins Family. It is humble pride that Mrs. McKean possesses towards all of us here at Rollins, and we share this same pride with her and towards her. The Rollins tradition is deeply rooted in her, a tradition of unsurpassed love and loyalty to the school which was a symbol to her mother and grandfather before her. No one person loves Rollins College more than Jeanette Genius McKean, and no one school loves Jeanette Genius McKean more than Rollins College. We at Rollins know her as the proud wife of a college president; the quiet woman serving us hot chocolate after an evening of carolling; the earliest riser to meet the circus train, pencil and pad in hand, waiting to sketch the yellow giraffes as they fly fleetingly by; the figure auditing Dr. Stone's Philosophy class, her silent presence contributing far more than the busy hum of student voices about her; or the gracious lady with a basket over her arm, gathering roses in the multicolored splendor of a spacious garden. Our boundless affection for this woman exceeds no limit. For our common faithfulness, sincerity, reverence and esteem towards each other, for our love, admiration, loyalty and "sweet humility"—to you, Jeanette Genius McKean, we dedicate this Tomokan.

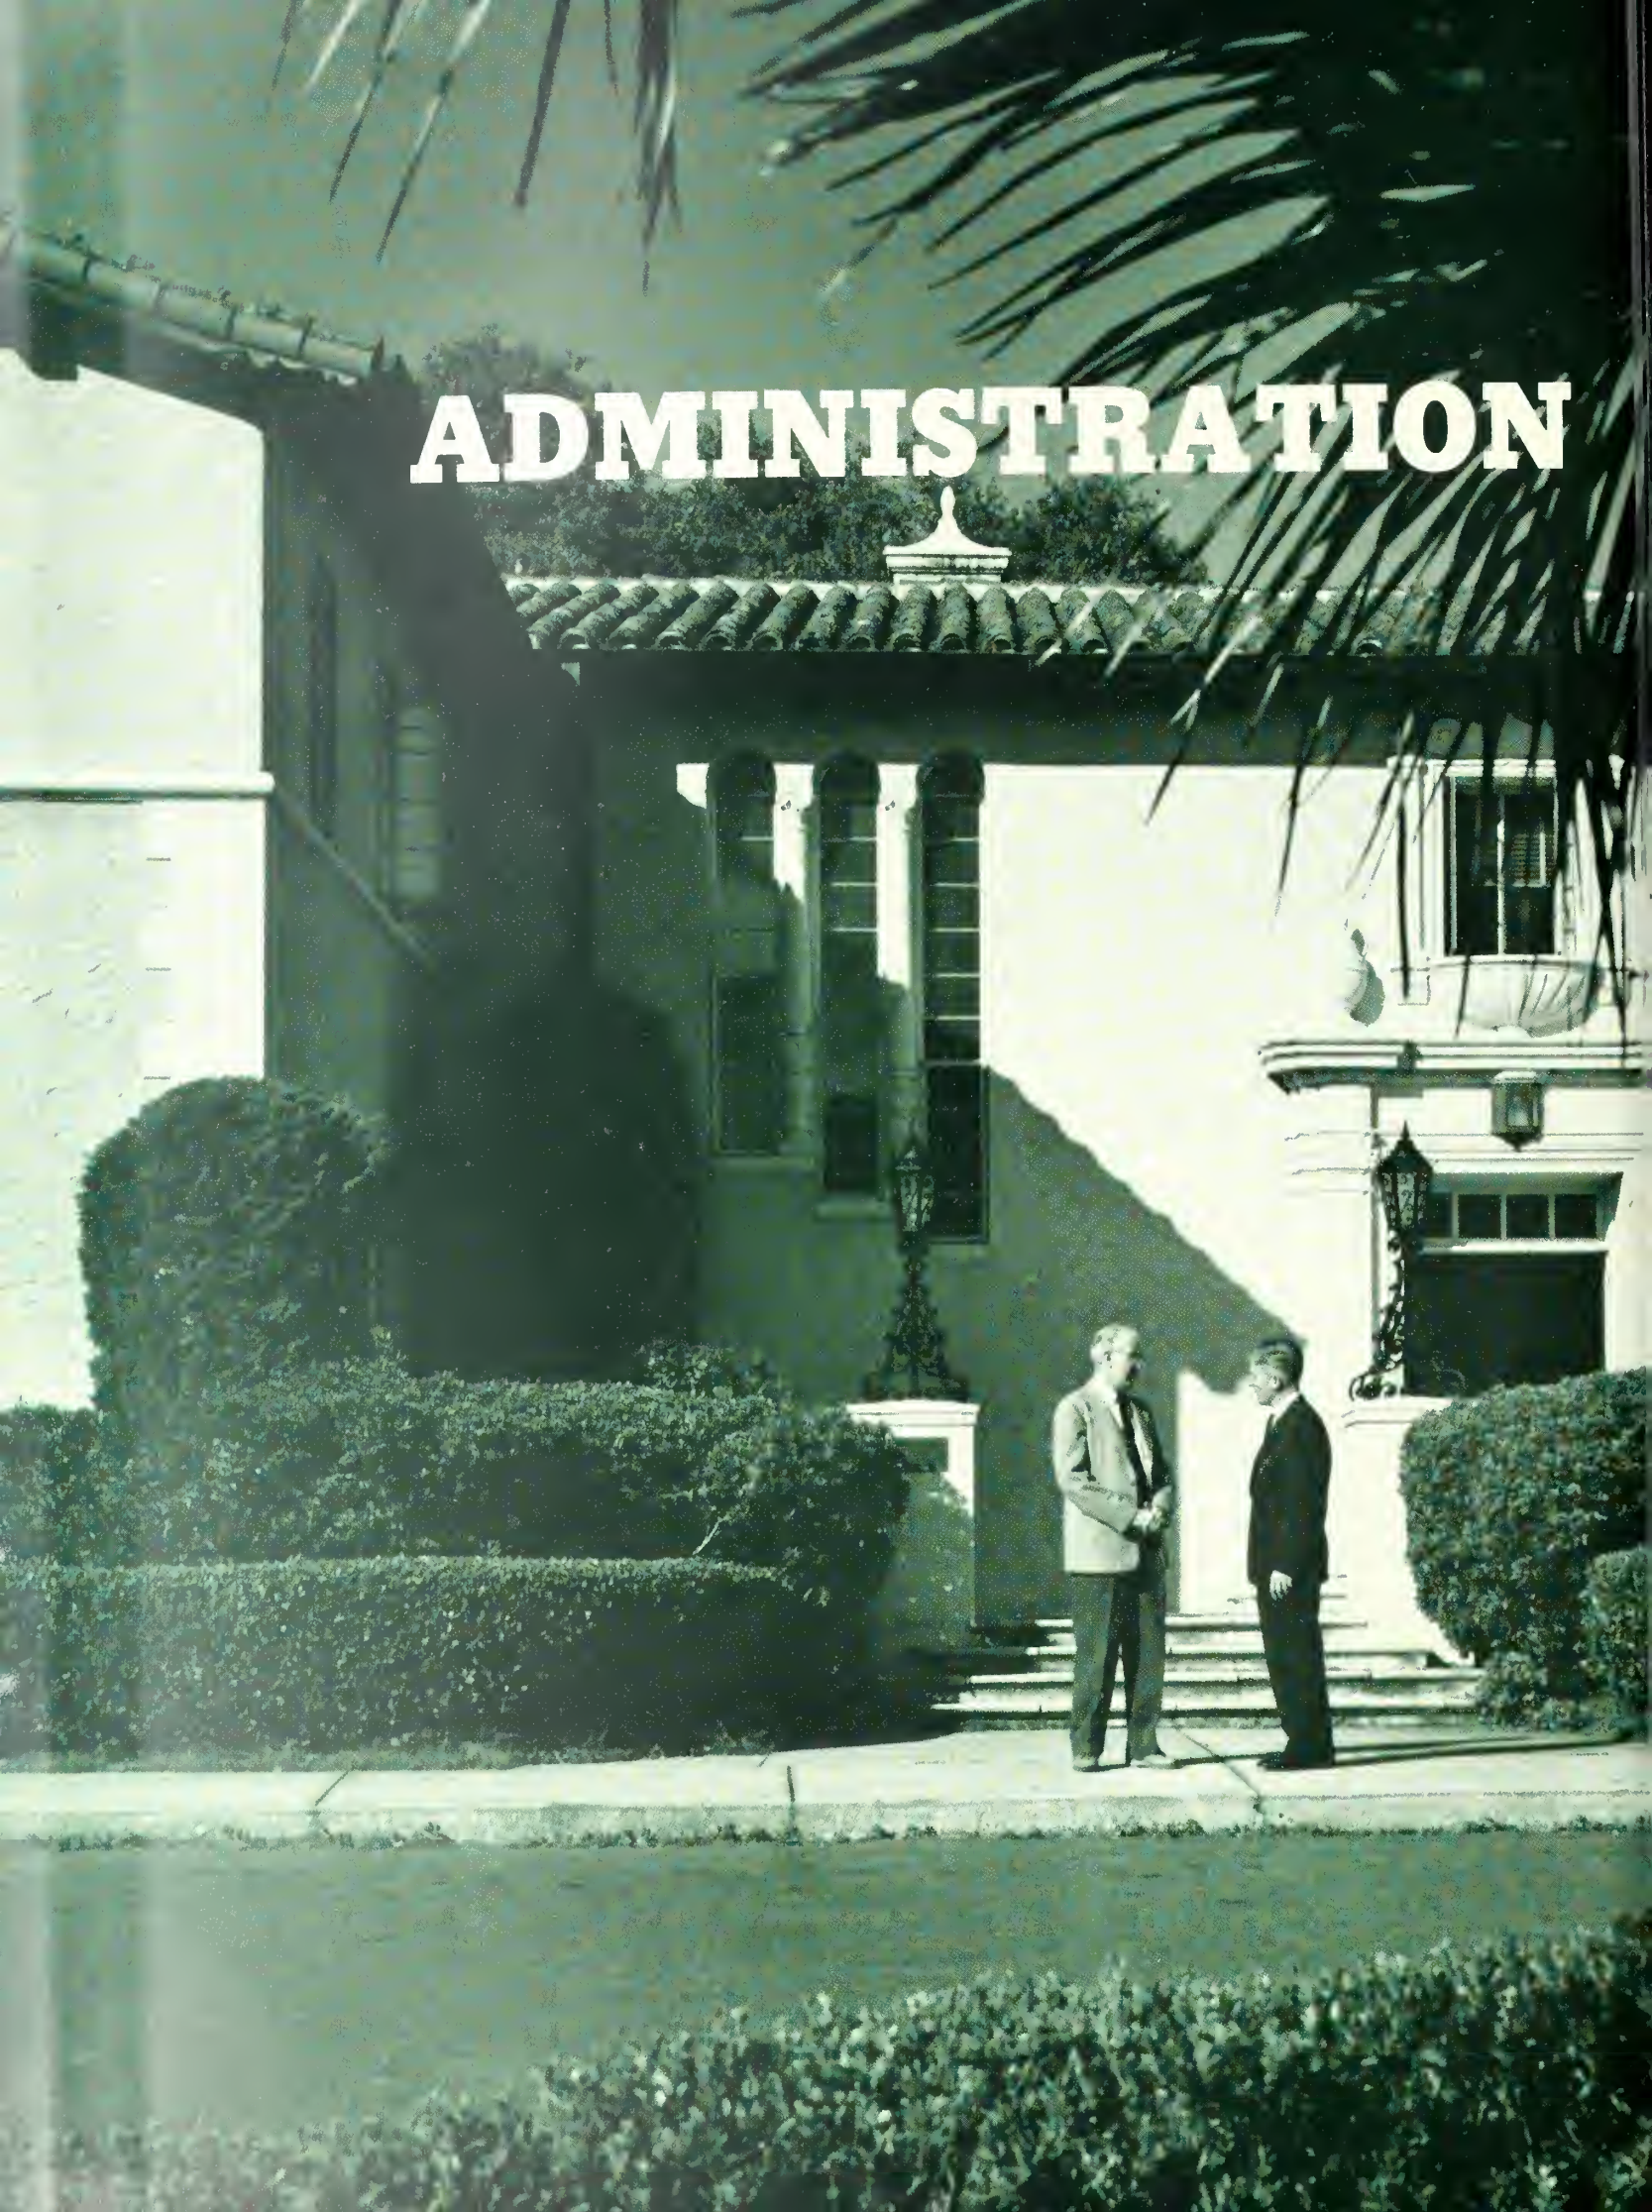

MRS. McKEAN stands beside the pool at her home on Genius Drive.

## PRESIDENT

A day in the life of President Hugh McKean begins before sunrise and ends long after sunset. A typical morning finds him making a routine schedule check with his secretary; 10:30 and he's in the Center for an informal address to students; at noon he presides at a luncheon for the Diamond Jubilee Commission; early afternoon he confers with architects as to the perfect location of the new women's dormitory; 4:30 and he's having coffee with trustees; later he welcomes students at his home for an evening barbecue, and his day ends with opening night at the Annie Russell Theatre. For the President's day is filled with the many duties required to fulfill the role of college president. From the innovation of Wednesday morning Center talks to the acquisition of "Tar Baby," Hugh F. McKean may look back on an outstanding record of five years as Rollins president. A Rollins graduate himself, his understanding and guidance of the "Rollins Family" has inspired and directed the college along a path of even greater heights than before.

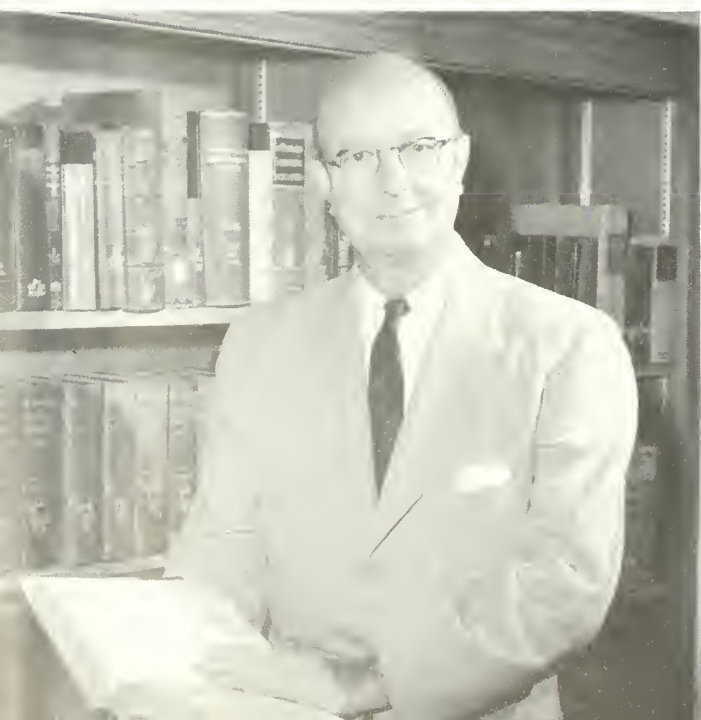

DEAN SIDNEY J. FRENCH and his secretary, Mrs. Maggie Gavin, plan the next Rollins move.

DR. WENDELL C. STONE "doubles"  
as assistant to the president and professor of philosophy.

JOE JUSTICE serves his alma mater as Dean of Men.

# LIBRARY

Early morning, after lunch, or late evening—the Mills Memorial Library is one of the most well-frequented spots on campus. The largest building at Rollins, the spacious T-shaped structure was completed in the fall of 1951 through the Davella Mills Foundation. Outstanding features of the building include two main floors, a full basement, five levels of air-conditioned stacks and individual study desks for a 250 student capacity. At present the library collection exceeds 95,000 volumes and 6,000 periodicals. Other interesting features include the library of the Hispanic Institute on the second floor, the Rare Books and Floridiana Room on the first floor, the two broadcasting studios of WPRK in the basement, the microfilm and microcard reading room, and the projection room and Film Library also in the basement. Income from endowments amount to several thousand dollars annually, and the distinctive "Book-A-Year Club" affords the library one book each year from every club member. In order to maintain a library of such high calibre, a large and efficient staff is constantly at work. Mrs. Alice Hansen, chief librarian, directs and oversees all activities; Mrs. Letty Morehouse, Mrs. Olive Mahoney and Mrs. Jean Dunwody are on hand at the circulation desk on the first floor; Dr. Frederick Luten, archivist, and his assistant Mrs. Evelyn Draper check over the records on the many volumes found on the shelves throughout the building; in the catalog room are found Miss Jane Swanson, Mrs. Lorena Graham, Mrs. Judy Mason, Mrs. Lucy Lacey, Mrs. Barbara Graham and Mrs. Louise Eberle, while Miss Merle Koch lends a helping hand by aiding students to find books at the second floor reserve desk.

## NEW ROLLINS BUILDINGS ARE UNVEILED BY TRUSTEES AT

GEORGE W. WADDELL, Mrs. Rebecca Wilson, Coulter Craig, John Tiedke, Mr. Nelson, H. George Corrison, Henry S. Lauterbach and Howard W. Showalter gather around the table in the President's office to get a closeup view of scale models of the new dorms and Beonery to be added to the campus next year.

WILLIAM MILLS and Deon French meet to discuss affairs of the college.

MR. AND MRS. McKEAN confer with Clarence M. Gay, vice-chairman of the Board.

## FOUNDER'S WEEK DINNER

IT IS TO THE TRUSTEES that Rollins College looks most for its past, present and future. For it is the Board of Trustees who are the real backbone of the college, not only financially, but also as the most true and loyal friends of the college. Miller Walton served this year as Chairman of the 19-man Board. Vice Chairman of the Board was Clarence M. Gay. Trustees meet as many times during the year as they feel is necessary, and it is up to them to plan the administrative policy of the school. The Board of Trustees works closely with the members of the faculty, staff, student body and alumni to help build a better future for Rollins College. Highlight of this year's activities was the unveiling of the scale models of three buildings to be added to the campus next year. These include a new women's dormitory, a men's dormitory and a new Beanery. The models were first shown at the Founder's Week Dinner at the Wyoming Hotel in Orlando, held in February during Founder's Week and Animated Magazine festivities.

GEORGE W. WADDELL, Mrs. Hugh F. McKean and Dr. Florence Stane confer on business matters.

TRUSTEES meeting with A. J. Hanna include Howard W. Showalter, Archibald Bush and J. Ray Dickie.

ADMIRING SCALE MODELS of future Rollins buildings are Harry Carman, Miller Walton, President McKean and Altan C. Woodring

# FACULTY

ROLLINS FACULTY, under the first president, Dr. Edward Payson Hooker, numbered only 27, and since that time has grown to its present number of 76, which includes ten classified as members of the non-teaching faculty. Still preserving the idea of the "Conference Plan," first administered by Hamilton Holt, the present student-faculty ration is 9 to 1, thus affording Rollins to become a campus noted for outstanding friendliness between professor and student. This friendliness is seen best in the Center over a cup of coffee, at Chapel on a Sunday morning, on the campus at large, and, especially, in the continuing correspondence between faculty members and former students. One of the most outstanding features of this atmosphere is the weekly Wednesday morning talk by President McKean in the Student Center. This year the Rollins Women's Association gave the entering faculty members a welcome reception in the Morse Art Gallery. The reception was held on October 19 and old and new faculty members got together to compare notes and to prepare themselves for the deluge of students who came to them later to learn. Faculty meetings are held on the first Monday afternoon of each month. It is here that administrative and student problems are met with, discussed and solved.

PRESIDENT McKEAN chats with Robert Margenrath and Robert Greenfield at the faculty reception beginning the year.

## W P R K

THE ONLY non-commercial, high fidelity radio station in central Florida — this is the Rollins College radio station, WPRK. Beginning procedures late in 1952, WPRK FM operates on 330 watts of power and serves a large part of the area surrounding Winter Park and Orlando. WPRK is operated entirely by students under the direction of station manager Marc Frutchey. Beginning and advanced classes are offered the radio student, stressing everything from technical operation to production, programming, announcing and directing. Located in the basement of Mills Memorial Library, the station contains two studios equipped with the most modern equipment available. WPRK programming is planned to entertain a wide range of listeners, which include both students and community. Featured are programs of symphony, ballet music, piano concerts, literary discussions, forums, drama, current news, live music from Studio B and a variety of other interesting material. A typical day at WPRK finds Mr. Frutchey informing a listener of the day's schedule; an afternoon of rehearsal is in order for the Rollins Balladeers: Perry, Marc, Al, Sid, Nick and Lynne. During the evening Russ, Lynne, Sandy and Sid are often found tape recording a "remote" for later rebroadcast.

# OPERATION BOOTSTRAP

MEMBERS OF the Operation Bootstrap and Courses for the Community, headed by Dr. George Saute, gather for an informal meeting one evening at Orlanda Hall.

OPERATION BOOTSTRAP — two words which have become the byword on the Rollins campus for those men on the military bases in and around Orlando who wish to further their college education and to extend their college credits. Attending classes every Monday and Thursday evenings from 6:30 to 9:30 are men from Patrick, Orlando, Sanford and Pine Castle Air Force Bases, which co-operate with Rollins through the Education Offices of their respective bases. Also in the classes are qualified adults from the community around Winter Park and Orlando.

The purpose of Operation Bootstrap is to provide off-duty instruction in basic college courses. The courses offered are usually required by most colleges and universities, or they are acceptable as electives. The program gives the men a chance to acquire college credits and also enables them to qualify for job promotion or attendance at a service school.

Operation Bootstrap works hand-in-hand with the Rollins Courses for the Community program. The Courses for the Community began in 1936 when the college first presented an organized program of adult education.

It was in 1951 when this education was given the name it bears today. Also in this year the courses were enlarged and designed to meet the civic, cultural, professional and recreational needs of the community.

The Director of both Bootstrap and Community courses is Rollins professor, Dr. George Saute. All courses are taught by members or associate members of the Rollins faculty.

Each man who enrolls for Operation Bootstrap must be either a graduate of a standard high school or have a certificate of high school equivalency. The courses operate on a semester system, having five semesters of eight weeks during the college year.

Air Force personnel are permitted to enroll in the classes with the Air Force paying three-fourths of the tuition. Commissioned personnel who receive tuition assistance must agree to serve two years after completion of the course.

All other persons are required to pay the normal Rollins tuition per course. The student, of course, is also required to purchase the texts specified for his particular course.

Courses offered to the military men are very similar to those given at Rollins. They include Principles of Accounting, Business Law, Personnel Management, English Composition, American National Government, College Algebra, Plane and Spherical Trigonometry, Differential and Advanced Calculus, General Psychology, Business Organization, Plane and Analytic Geometry and Fundamentals of Speech.

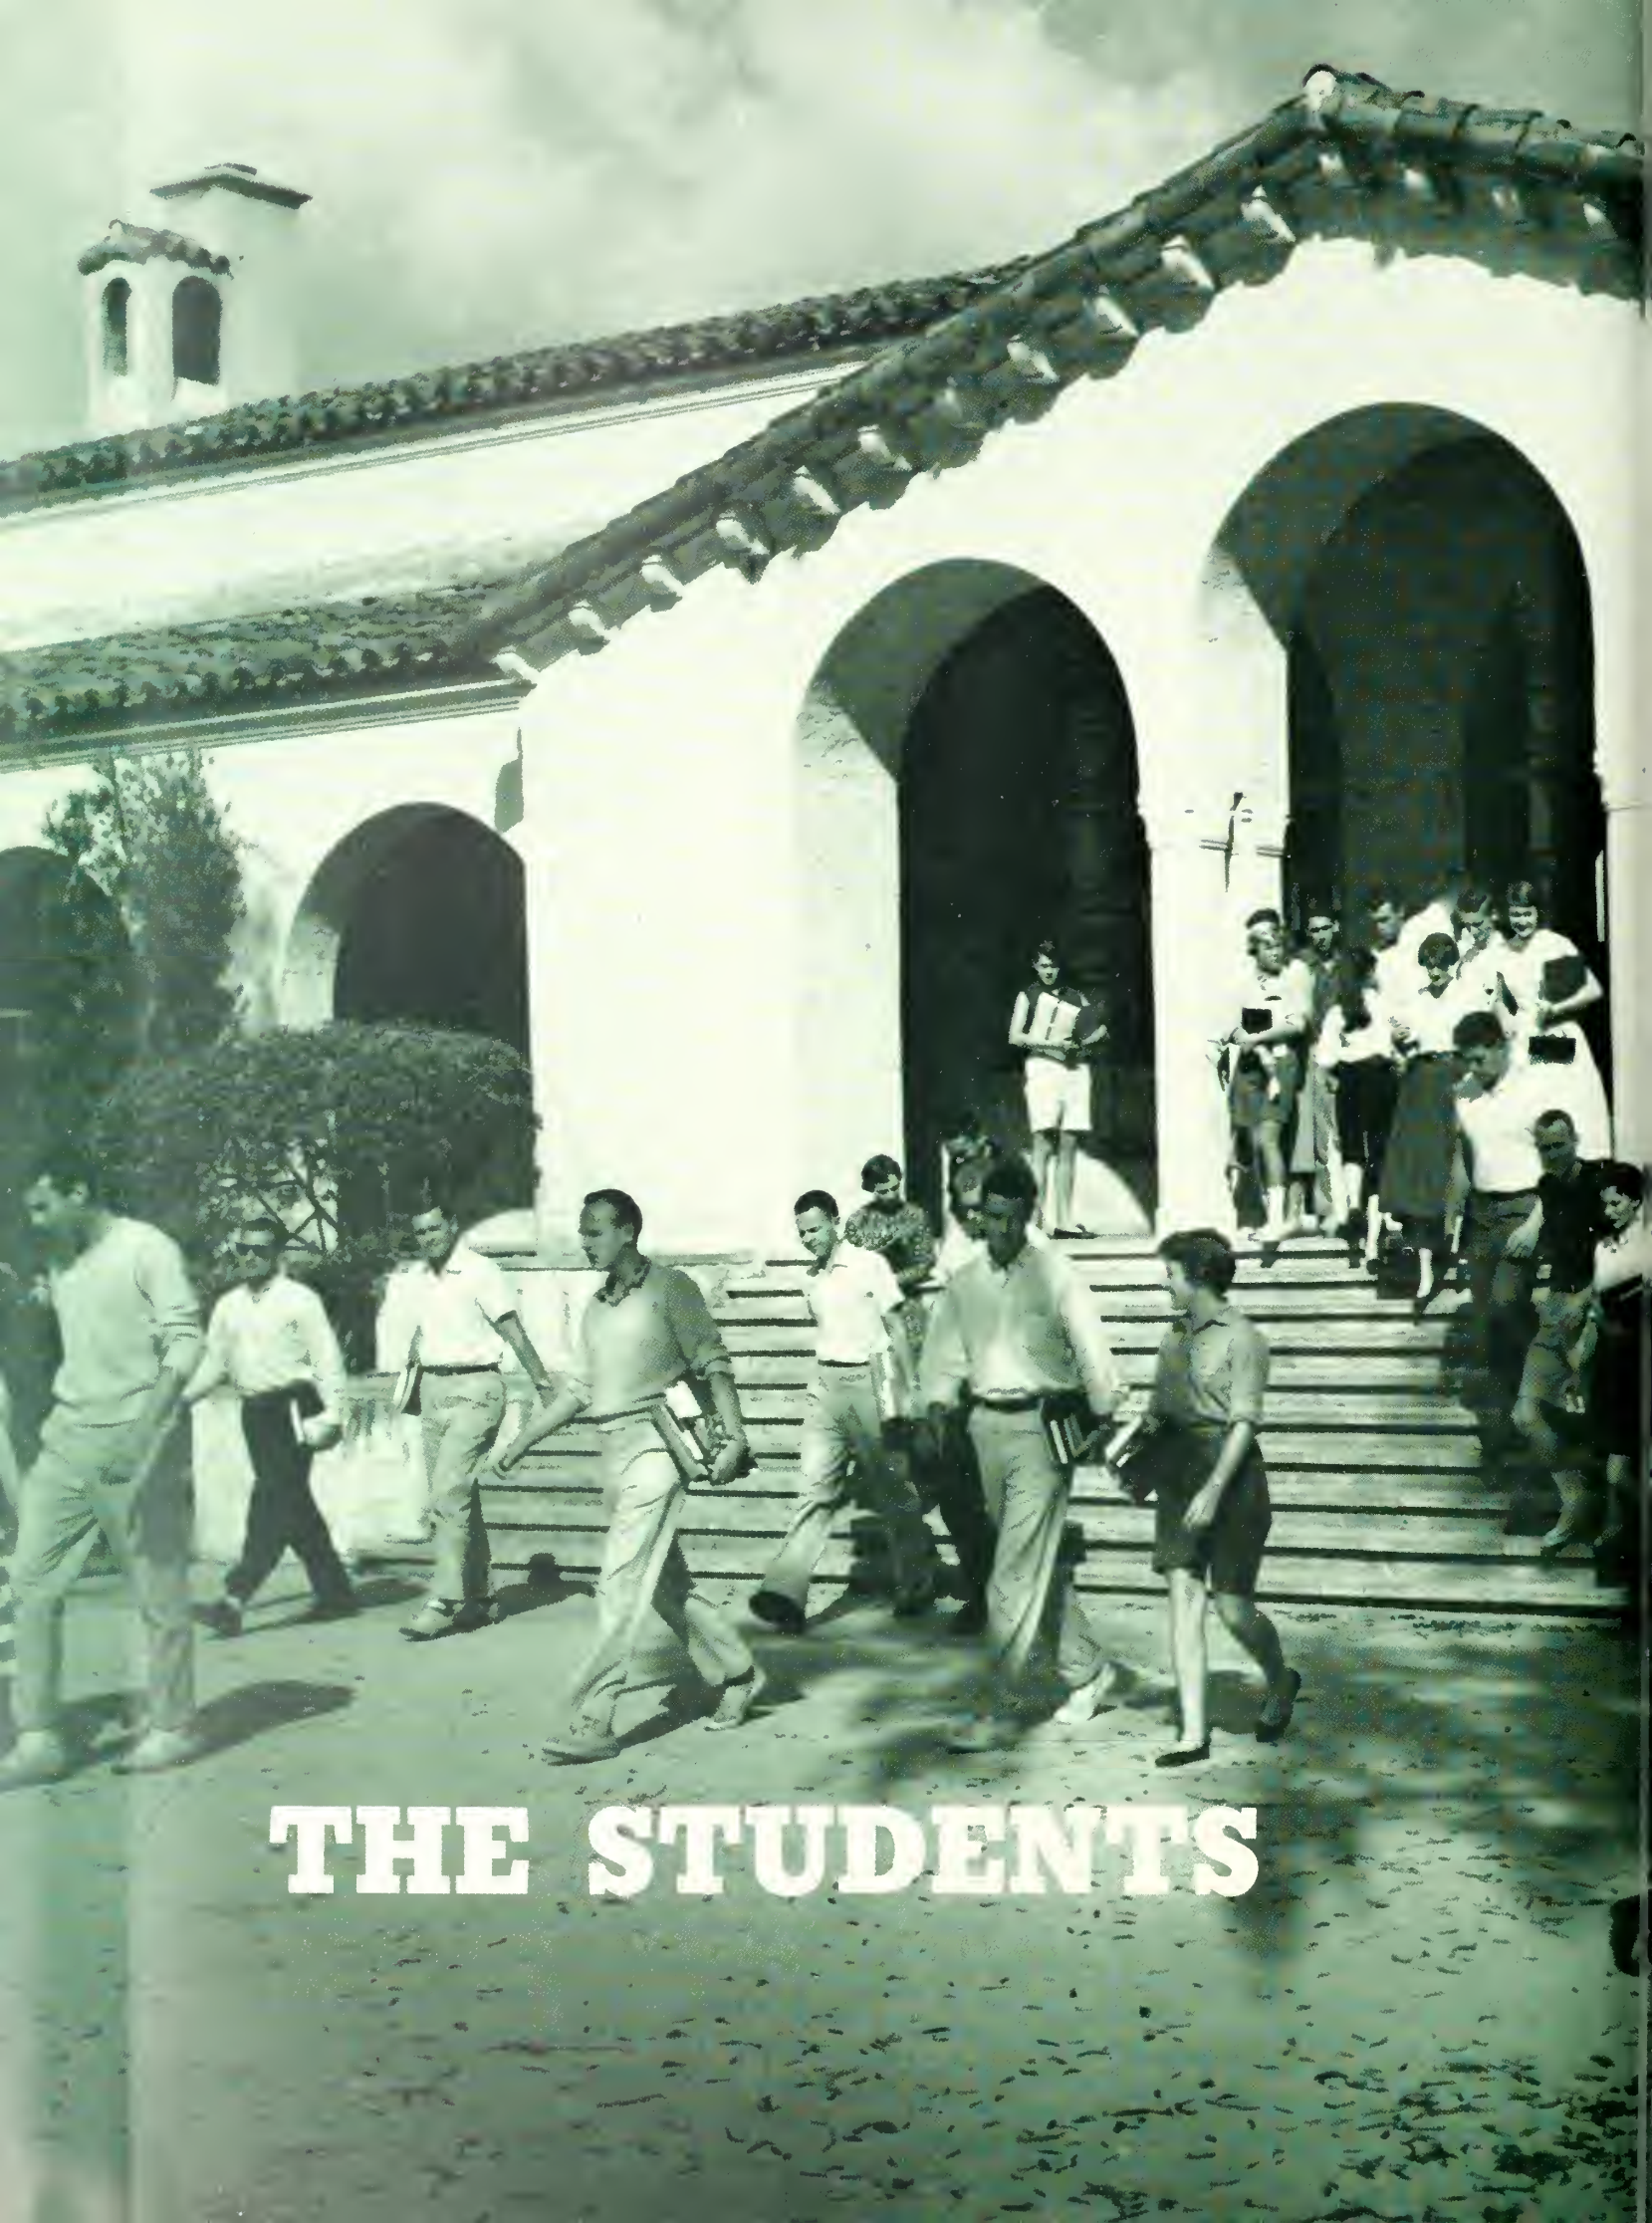

AUDREY PACKHAM, Education Department Head, grades papers.

WILLIAM DEWART conducts an English class during a Monday night meeting of the Courses for the Community.

## STUDENT GOVERNMENT FUNCTIONS THROUGH DEMOCRATIC

STUDENT GOVERNMENT at Rollins works closely with the faculty on a democratic principle. Officers are elected every spring term to serve for the ensuing year. Members of the Student Council include Sandy Brickman, Dick Anderson, Bill Dunnill, Joan Bucher, Len Wood, Babs Moore, Wendy Hirshon, Karen Serungard, Larry Hitner, Fran Swicegood, Bruce Beal, Dottie Englehardt, Susu Dunn, Tom Dolan, Guerrie Brown, Punky Ladd, Marion Polson, and Tommy DiBacco. Student Council Officers this year are Pres Hull, president, Corky Borders, vice-president and Delle Davies, secretary. The recently inaugurated Traffic Court presides over a case as offender Roberto Muvdi is brought to justice by Dave Bowman, Bob Pratt, Bill Dunnill and Tom Dolan. Posed appropriately in front of the Administration building are the members of the Student-Faculty-Trustee Committee, who are Ken McCollester, Larry Hitner, Bob Eginton and Fran Swicegood. Another member, Billy Pace, is not pictured. Another familiar figure about the Campus is George Kosty, student comptroller, who checks the files for unpaid bills.

## GROUP PARTICIPATION

## SANDSPUR GAINS

DICK HALDEMAN, editor-in-chief, begins another evening of editorials.

JACK POWELL takes care of the business side.

NANCY HASKELL, layout editor, is the gal that fits it together.

TOM DIBACCO, sports editor, gets a hot tip on the fourth harness race at Meadowbrook.

## TOP WITH ALL-AMERICAN RATING

ALL-AMERICAN ratings seem to come quite naturally to the Rollins weekly newspaper, the Sandspur. For this year the Sandspur captured an All-American honor rating for the second consecutive time. The editors responsible for the honor are Bruce Lee, Chuck Lambeth, Sue Dunn and Dick Haldeman. Judged on a national basis, the Sandspur is rated against weeklies from schools of the same size throughout the country. From business stall to writers, Sandspur reporters can be seen scurrying across campus almost any hour of the day on a "hot tip" for a story or advertisement. Published every Friday morning, news is gathered from campus and local sources all week and written up every Sunday and Monday nights.

## TOMOKAN

TOMOKAN work is never done! All year, the staff members of the yearbook can be found in their office in the Center basement writing cutlines, typing copy, taking pictures, doing layout and planning advertisements. And proving that hard work pays off, the Rollins annual has never failed to rank very high when judged in national contests. Supervising procedures is Editor-In-Chief Sandy Hose. Bruce Beal, business editor, and Janet Markson, advertising, talk finance; Anne Nelson, art director, plots the cover, and Phil Lubetkin, sports editor, tallies figures. Staff member Marty Decker consults with assistant editor Kathy Schwarz; Lish Jacobus and Gail Pfluger, staff members, compare books from other schools; Sid Kromer, copy editor, finishes a cutline; Bob Eginton, photographic editor, contemplates a shot, and Editor Sandy, Larry Hitner, assistant editor, and Pete Roe, production co-ordinator, discuss deadlines with Johnny Long, publisher.

STUDENT PUBLICATION UNION members are, first row, Bruce Beal, business manager of the Tomokan, Sondy Hose, Tomokan editor and Paul Ackerman, "R" Book editor; second row, Dick Haldeman, Sandspur editor, Bob Eginton, editor of the Flamingo, Geneva Drinkwater, Sandspur faculty advisor, Dean Watson, "R" Book advisor, Dr. Stock, Flamingo advisor and Robert Greenfield, Tomokan advisor. Not pictured are Jock Powell, business manager of the Sandspur and Bob Tate, advertising commissioner of the Sandspur.

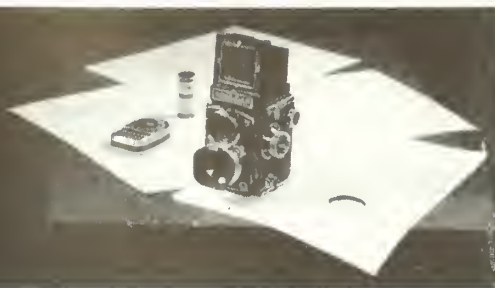

FLAMINGO staff members plan for the next issue.

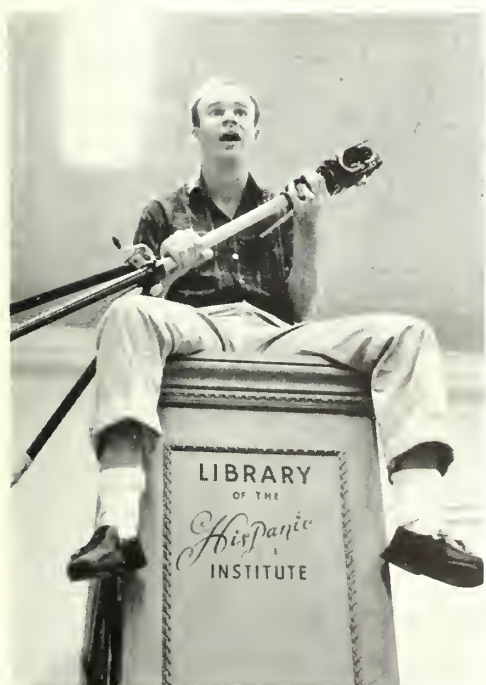

"R" Book editor Paul Ackerman and Dean Helen Watson discuss items to be included in the handbook.

## PHOTOGRAPHY

PHOTOGRAPHY AT ROLLINS is somewhat unique—hidden in the deep dark depths of an office in the basement of the Center, there lurks an odd crew of men of various dimensions who optimistically classify themselves under the appellation of photographers. To the stranger, the crew may be a bit puzzling at first. Upon entering the studio one may be only screamed at—"For Heaven's sake, shut that door, this is a darkroom," or "O.K., who didn't show for the faculty picture—you want us to be ostricized or something?" After being thoroughly initiated thusly, one may regain composure and began a thorough check on what makes the photography crew tick. Upon further investigation, one will find a compact and efficient crew, under the direction of Lyman Huntington. The department began four years ago, established in the Library, and this year moved to the Center basement. Here, Lyman, Win Taylor, Bob Eginton, and Sandy Hose take, develop and print all Rollins photography, from Sandspur and Tomokan to publicity shots. Constantly busy, the department has proved a great asset to the college. Alumni camera fiends under Lyman's teachings have gone on to jobs with Newsweek and Life, and this year Win won the New York Press Photographer's top award for his sports shot. The photography in both the Sandspur and Tomokan has constantly won All-American and honorable mention in national contests—but it's all in a day's work!

## WHO'S WHO

"WHO'S WHO in American Universities And Colleges," a national publication, each year recognizes outstanding students from approximately 675 colleges and universities. Campus nominating committees are instructed to consider, in making their selection, the student's scholarship; his participation and leadership in academic and extracurricular activities; his citizenship and service to the school, and his promise of future usefulness. The organization awards each member a certificate of recognition, a listing in the annual publication and provides a placement service to assist seniors and graduates seeking employment. This year "Who's Who" chose seven Rollins seniors for national listing. They are Jo Cayll, editor of the 1956 *Tououkan*; Bob Eginton, president of ODK and editor of the *Flamingo*; Dick Haldeman, editor of the *Sandspur*; Sidney Kromer, president of *Libra* and student manager of *WPRK*; Ken Pahel, winner of the Corrin Strong Scholarship to Norway and president of the Chapel Choir; Jack Powell, Rollins' Comptroller and president of Key Society, and Matt Sinnott, chairman of the 1956 Fiesta Week and president of the X Club.

# CHAPEL

RELIGIOUS LIFE at Rollins College is, of course, centered in the most impressive building on the campus, the Knowles Memorial Chapel. Realizing that a religious program has three important responsibilities: teaching, worshipping and serving, the Chapel maintains a program for fulfilling all of these responsibilities. At first founded under the auspices of the Congregational Church, the religious services are now non-sectarian. The Chapel program is carried on by the Dean of the Chapel, Dean T. S. Darrah, and the Chapel Staff, which is composed of the chairman of the student committees, nine elected students and two members of the faculty. Primary among the many functions of the Chapel Staff is the annual Drive conducted during the winter term. The money from this drive benefits needy students, our "adopted" children in foreign lands and students in special schools throughout central Florida. Services are held in the Chapel every Sunday morning at 9:45 and are conducted by Dean Darrah. The Rollins Chapel Choir, known throughout the country, is conducted by Robert Hulstader. Besides the regular Sunday worship, Evening Vespers are held every Tuesday and Thursday nights at 6:45 and feature student speakers. Another service of the Chapel is maintained through the Community Service Committee, composed of those students who plan and carry out those services which will be of benefit to the Winter Park and Orlando community.

1. CHAPEL USHERS are: first row, Rannie Atwaad, Corky Borders, Pete Kimball, and Randolph Strout; second row, Ken McCollester, Bob Pratt, Bill Karslake, Web Walker, Ford Oehne, Stu Maples and Bill Ward; standing are Dale Mantgamery and Lorry Hayt.

# ANNIE RUSSELL THEATRE

---

THE ANNIE RUSSELL THEATRE this year celebrated, in grand style, its twenty-fifth birthday. March 29 was the date for the big night commemorating the beginning of the now well-established stage. Featured that evening was the rededication speech by Marc Connelly, author of "Green Pastures" and the appearance of former Rollins student, Nancy Cushman, who has played roles in "The Glass Menagerie," "Cat on a Hot Tin Roof" and "Death of a Salesman" on Broadway. Gala performance of the evening was the production of Shakespeare's "Romeo and Juliet," which ran through the rest of the week. Directed by Peter Dearing, the set was built by Robert Grose and costumes were designed by Richard Hill. Miss Cushman starred in the role of Lady Capulet and Delle Davies and Bill Smith were in the leading roles of Juliet and Romeo. During the rest of the year, the Annie Russell stage was the scene for five other plays: George Bernard Shaw's "Pygmalion," William Inge's "Bus Stop," Christopher Fry's adaptation of "Ring Around the Moon," Arthur Miller's "The Crucible" and the two musicals, Leonard Bernstein's "Trouble in Tahiti" and James Thurber's "Thirteen Clocks."

## "THE CRUCIBLE" DEMANDS LONG HOURS OF PREPARATION

REHEARSALS ARE NUMEROUS in preparation for a play on the Annie Russell Theatre stage.

SELDOM DO DIRECTORS, actors, technicians and script blend and congeal into an experience which deserves the accolade, "A Work of Art." However, the Annie Russell production of Arthur Miller's "The Crucible," during the week of February 26 to March 2, certainly does deserve this title.

Director Arthur Wagner took the controversial, talky, but sometimes moving Miller script, blended it with superb acting from a fine cast and congealed it with the technical know-how of Richard Hill, Peter Dearing and Bob Grose. The end result was better than any one individual talent alone, but the individuals who made the whole possible must be credited for their excellent performances.

The acting was brilliant. Clark Warren gave the best performance of his college career as John Proctor. Liz Otis also gave her best performance in four years in the role of Elizabeth Proctor, John's wife. As Abigail, Dede Lund performed with a skill which was born out of a thorough understanding of the character she portrayed. Ann Derllinger caught the weakness and inherent good in Mary Warren. John Connable's characterization of Giles Corey was flawless, easily the best performance in the entire play. Mike Crecco had the understanding and insight to portray "straight parts." Tony Layng, Pete Adams, Hugh Mitchell, Blanca Laborde, Nancy Haskell, Chris Jones, Wendy Hirshon and Babs Wyman acquitted themselves with much glory and honor in the supporting roles.

From the technical side of the production, Peter Dearing's lighting was extremely appropriate and maintained the mood of starkness required of the play for effective presentation.

Costumes by Richard Hill were in keeping with the lighting and stage furniture and non-set . . . stark and realistic.

Bob Grose and his stagecraft class did a difficult job well.

Arthur Wagner has given the college, in "The Crucible," the best theatre in what has sometimes been dubbed "The Golden Age of Rollins Theatre."

ABIGAIL, played by Dede Lund, demonstrates her ability for witchcraft in a dramatic scene from "The Crucible."

FROM FIRST TO LAST, makeup is important in preparing the octor ar actress for their dramatic moment on the A.R.T. stage.

BACKSTAGE CREWS work hard to get the praper effect in lighting, scenery, praps and stage prepara

"THE CREATION" is re-enacted by Alpha Phis at Talent Night.

"LET'S GO POGO" was the cry this year as Alpha Phi pledgelets gave a Waly Kelly-type Pogo Party at the big white mansion on Interlachen Avenue. Highlight of the year was the traditional "Silver and Burgundy Ball" held at Dubsdread Country Club. The dance, the last of the year before Christmas vacation, did much to send students on their way home full of holiday spirit. Their national philanthropic charity being cardiac aid, the Phis sponsored a "King and Queen of Hearts" contest at the Valentine's Dance in February. Won by Helen Carrell and Mo Cody, the chapter raised over \$100 as their contribution to the national project. Filling the rest of the social year were numerous parties — coke parties for rival volleyball teams after each game; a spring term jaunt to the Pelican; a tea for their visiting traveling field secretary; many intimate gatherings on Saturday nights at Casselberry and, the biggest thing of the spring term, the annual senior dinner-dance preceding the all-college senior dance in June. Athletically, the Phis were triumphant in intramural softball again this year, for the second consecutive year. Just one more leg, kiddied, and we've got it!

"DIME A SHINE," only a dime a shine, sang out the members of Chi Omega as they gathered all shoes together and made a big party of shoe-shining. Sounds like a new and different approach to the old problem! The girls of Strong Hall are a busy group — Ann spends the main part of her time on the Annie Russell stage or in the confines of WPRK; Nancy is usually found laying out the Sandspur and Owen is either on the tennis courts or on her way there. Social events for the Chi Os this year included the shoe shine party, carolling at Christmas time, a "cook out" party with the members of Phi Mu, the Annual all college open house, given by the pledges in the Strong Hall patio, the Easter breakfast for the college, an evening gathering for socializing with the X Club, a television party, Christmas party and the traditional spring dinner dance.

"HILLBILLY HOEDOWN" proved to be a winner for the Gamma Phis as burlap-clad oakies capered on the stage of the Annie Russell theatre to become victorious, for the second year in a row, of the annual Independent Men's Talent Night festivities.

Reward for the night was the huge silver trophy, from which the Gamma Phis toasted each other for the rest of the evening. Hillbilly pledges went "Sleepy-time" as they presented their annual all-college open house on the Strong Hall patio in November; early in November the Gamma Phis had their Founders' Day banquet at the Eola Plaza in Orlando; and, to wind up the month's festivities, the group took to the woods for an annual affair at Starbuck Springs. Fun was had by all at the Christmas party in December, and more fun by all at the traditional semi-formal dance with the X Club at Dubsdread Country Club in March. Plans for the spring term include giving the annual fashion show in the Strong Hall patio.

RINGING OUT A FEW CHEERS at Lucy Cross Hall are the members of a social sorority on campus known as Kappa Alpha Theta to those who stand on formality. But, to their buddies they are more often known as "real gone KATS." This year always, it seems, these gals are well on their way again to becoming the winners of the annual O'Brien Intramural Trophy awarded to the group who garners most points during the athletic season. But, fun is mingled with work in this house—thirteen girls were pledged to the black and gold early in the fall term and spent the rest of their pledgship paying for it with pledge parties, clean-up days and hell week; actives gave pledge a Christmas party; visits from both the District and Grand Presidents brought forth the silver tea set at Cross Hall; Theta joined forces with the Gamma Phis for an evening of carolling. October was the month for the Theta-Sigma Nu formal dance at the Langford Hotel; Talent Night found Kats "Searching for a Song"; CarolENZ and the kiddies graced the "Fairy Queen" float during Fiesta and the traditional "Dunk-A-Theta" booth was found again (only this time bigger and better) on the evening Fiesta Midway.

During the year, a Christmas dinner-dance was given; both pledges and actives had quite a revealing "come-as-you-are" party; a surprise breakfast helped rouse sleepy ones at Pugsley Hall; the traditional Kappa-X Club Valentine's Dance came off in fine order at Dubsdread; the annual "friend's" party was held again this year out at Jeannie Tauscher's beach; seniors were honored at a surprise party in the spring; a scholarship banquet honored those blessed with academic prowess; many teas were given at "Hearthstone," the Kappa alumni house, and many, many other various-type parties filled the schedule of Kappa this past year.

GIMME MY BLINDERS! screamed their sisters as Joan and Marty flashed their "rocks" in the faces of envious bystanders. Cupid hit the habitants of Fox Hall pretty hard this year—but there was still time for work. In keeping with tradition, Phi Mu gave the first dance of the year, "Harvest Moon," this year in cooperation with the Delta Chis at Dubsdread in October. The next morning they honored the Delts with an alter-chapel coffee. During elections, Phi Mu rented a big TV and held an all-night election party in their living room to welcome in the new president. The days preceding Christmas vacation found the pledgelets in a "Mistletoe Mood" as they staged their annual Christmas pledge all-college open house; the Phi Mus and Sigma Nus gave a Christmas party for the underprivileged children of Winter Park; and the sorority joined with Delta Chi for an evening of Christmas carolling of campus. Of course, the biggest highlight of the year was winning the Fiesta Parade with the float of "Alice in Wonderland" featuring Nancy Fowler in the title role. They also were awarded a plaque for the best decorated booth on the midway. During Talent Night, the gals gave a splendid take-off on "The Planet Rollins."

PI PHIS were "Flying High" with their elephant during Fiesta.

"ANGELS IN DISGUISE" if they are, they certainly have many, many men fooled, for this year the mortality rate in Mayflower Hall took a sudden rise, claiming "angels" Ann Todd, Ann Webster and Sandy Taylor. And not only is there trapping talent in the house — budding actresses include Barbi Moynahan, Pris Steele and Joan Wheatley; journalistic talents belong to Garry Sutherland; Helen Carrell holds down athletic honors and the title of Orange Bowl Princess was claimed by Pris Steele. This year found Mrs. Cooper welcomed to Mayflower as the new house-mother following Mrs. Brown; Pi Phis had a tea for Dean Watson; March found them with a Founders' Day tea on hand; Helen Carrell reigned as "Queen of Hearts" at the Valentine Dance; pledges and actives held a picnic at the Iron Bridge; the "Jewel" returned a la Continental, only to leave again after winter term; Pi Phis flocked en masse to Sandy's wedding in Clearwater in April; a resplendent elephant entered the Fiesta parade "flying high"; and, on the midway, those who had a good arm and a better aim could "Pie a Pi Phi."

TAR BABY was a big help during "hell week" when baby angels sold lemonade to passersby on the horseshoe.

This year the Alpha Omegas moved into a new dorm, Detwiler House, on the campus. Social events on their calendar were a tea given for unaffiliated women together with the Indie Women; an all-college open house, a spaghetti party for all their members, featuring the excellent cooking of Alpha Omega members; participation in the Fiesta weekend festivities with a float and booth, and a rousing beach party on the Atlantic.

# INDEPENDENT WOMEN

INDEPENDENT WOMEN this year staged one of the most brilliant and spectacular shows ever to hit the Rollins campus. Music and story written by Frank Underwood, "Heads 'n' Tails" was the highlight of the year as a variety of talent was seen in a fabulous display on the Annie Russell stage. The Indies sponsor the show each year as the highlight of their year, providing competition for talented aspirants in the musical and literary world. Scripts are submitted to Indie members in order that they may choose to provide the campus with the best talent available for their annual extravaganza.

SO WHAT DO YOU SAY, DELTS — was it a good year or was it a good year? Other than the fact that Kimball never shaves, Moulton never changes, Karslake never stops smiling and McCollester never starts, the Delts claimed their share of honors for the year: Pres Hull as No. 1 man on the totem pole, president of Student Council; Dick Haldeman being editor of the Sandspur; Ken McCollester serving as vice-president of the senior class and the IFC Council; Phil Lubetkin and Bruce Longbottom as president and vice-president of the junior class, respectively; Dick Mausfield and Walt Hallstein doing the same deed for the freshman class; Web Walker was president of the Men's "R" Club; Ken Pahel shot his way to champion of the intramural golf competition. On the social calendar the Delts gave the first dance of the year, "Harvest Moon," with the Phi Mus; they hosted their dates at Playlinda for a mammoth spring steak fry. Helen Carrell, Delt candidate for "Queen of Hearts," won the title; Fiesta Weekend found the Delts making the most money of the midway for their penny-pitching and gambling game, and in the spring their thought turned lightly to that of a senior banquet, cocktail party and dance. On the philanthropic side of the picture, the Delts maintained a Blood Bank for the college community, available to all on campus.

KAPPA ALPHA members can be found in one of three places. One of these spots is on the tennis courts — which played off this year, as usual, as they again won the intramural tennis competition. Another favored KA hangout is the “mansion” itself, where the game-of-the-day is bridge. And we’re sure that if there was an intramural tourney for this pastime, the KAs would again be victorious, for here the brothers hold forth as no other house on campus — just try to get a word in edgewise and find out for yourself; on second thought, if you value your life — don’t! Besides tennis and bridge, the KAs are famous for their social life. This year they held their informal rush party at the Orange Court Hotel in Orlando, complete with both dinner and swimming; the formal rush party was thrown at Dubsread Country Club; highlight of the year was the traditional, annual “Robert E. Lee Ball,” held for all actives and alums of the area on this famed gentleman’s birthday — this year the affair was at the Bahia Shrine Temple in Orlando — on the usual January 19th date — the KAs held other parties too!

WHAT'S THIS? It's merely the group and their dates getting together for a little of that ever-popular Southern Comfort, so warming on a chilly Saturday night.

WHEE, WE WON! screamed the members of Lambda Chi as "brother Frank" walked off with top honors in the race for Student Council Prexy at the spring term elections. Other notorious and campus characters inhabiting Hooker Hall are R. L. Smith, whose stick figures grace the pages of the 'Spur; Steve Andrews, who is found nowhere but atop his snipe in the middle of Lake Virginia; Bob Pratt, who is found nowhere but in his Porsche at Sebring, and Chuck Hartman, who is found nowhere! Social events on the calendar for the Lambda Chis this year included the annual Pi Phi-Lambda Chi Costume Ball at Dubsdread in February; many, many trips to the beach, steak frys; the "Goldenrod" venture; and open house for the families of members; an open house for the incoming women; a pledge party after pledge Sunday and the joint blast with their neighbors to the south, the Lambda Chis from Florida Southern College. Talent Night found the men of Hooker Hall turning "hams" for the night as they did an old west melodrama to the background of Mark Frutchet's excellent pickin' and singin'!

AND IN THE WINNERS CIRCLE — the members of Sigma Nu! For this year, the Snakes seem to have pretty well dominated the scene, as far as winnings go, on the Rollins campus. Beginning with intramural football in the fall term, their streak of luck continued through the year—winning Talent Night for the second year in a row with "The Story of a Piano"; winning top honors in the Fiesta Parade with their version of "Swan Lake"; and, culminating a very successful year with the crowning of their candidate, Judy Howard, as Fiesta Queen and Ford Oehne as Fiesta King. Judy gained honors again as she was proclaimed "Sweetheart of Sigma Nu" at the Christmas dinner in December; May marked the month for the annual White

Star formal; Frank Underwood wrote the Independent Women's annual musical revue; the Sigma Nus maintained two shoe shine stands, one in Orlando and one in Winter Park, for the Orange County Heart Fund Drive; Corky Borders claimed honors as vice-president of Student Council and president of Omicron Delta Kappa; Tom Dolan was proclaimed vice-president of the sophomore class; Ra Moody was president of the Intramural Board; Sandy Hose edited the Tomokan; Tom DiBacco won out in the spring elections for editor of the Spur and Ford Oehne was named president of the Chapel Vespers Committee. Yes, this year marked much success in the careers of the proverbial "Snakes."

X CLUB members are perhaps some of the most versatile on campus, for their talents are spread out in an infinite variety of activities. Known especially for their athletic prowess, the men of Gale Hall this year won the basketball intramurals for the sixth straight year in a row, they also took top honors in intramural volleyball, softball and were second in the football competition. Outstanding members of the X Club are Jack Powell, president of Phi Gamma Mu, a member of ODK, president of Key Society, listed in Who's Who and treasurer of the senior class; George Kosty, president of the senior class and comptroller of the student council; Len Wood, president of the sophomore class and vice president of the student council, and Matt Sinnott, also listed in Who's Who. Chick Bezemer gained fame when he landed a berth on the all-state basketball team for the third year in a row. Taking an active part in this year's proceedings were Bob Eginton and Gary Goldfarb, who acted as emcees for the evening. Managing the whole affair was junior Sandy Brickman who saw to it that everything came off in just the right order and at just the right time. Other social events on the Indie Men's calendar this year included many various types of parties and a weekend at the Pelican during the spring.

# TARS COMPLETE HEARTBREAKING SCHEDULE

Coach Dan Nymicz's Rollins Tars, during the 1956-57 season, provided the basketball fan with many spectacular games that were often decided in the remaining minutes of the game.

The margin of victories were extremely slim as exemplified by the Tar's losing five games that were decided by less than six points.

Among the heartbreakers that Rollins encountered over their 21-game schedule was the one-point defeat by Stetson in a double overtime, 88-87; the Florida Southern game in which Rollins lost by two points in a triple overtime, 81-79, and the Pfeiffer game in which the Tars lost 91-92. However, the Tars were not to be outdone as they eked out a 77-75 victory over Georgia Teachers.

Perhaps the most exciting game of the schedule was with the Stetson team during the second encounter between these two arch rivals. The game provided many thrills as both teams scored over the century mark with Rollins avenging the earlier defeat 112-100. This game was a F.I.B.C. record for the most points scored in one game and most points scored by one team. Captain Chick Bezemer, Boyd Coffie and Seniors Hal Lawler and Al Fantuzzi completely out-hustled and outfought the Hatters as the Tars rebounded and shot with amazing accuracy. This was truly a great

ending to a rather heartbreaking season.

Despite the poor record of the Tars, many performances should be singled out as being worthy of praise. Chick Bezemer, the captain forward playing his third sensational year, led the Tar individual scoring with 19 points a game, as well as capturing 16.1 of the team's rebounds. Chick was also chosen by the Florida Times Union as a member of the All-State First Team, an honor achieved for the third year in succession.

Boyd Coffie, a sophomore guard and the Tars' play maker, played outstanding ball as he gave his teammates a lift in a tight ballgame by his hustling and fantastic shooting. Boyd averaged 16 points a game.

Two seniors, Hal Lawler and Al Fantuzzi, aided considerably during the season, and in their final game against Stetson, played a tremendous brand of ball.

Perhaps the boy who showed the greatest promise for the future was Bob Schuder, a sophomore, who finally came into his own as he shot with confidence and helped ease the burden of rebounding for Chick.

With the additional experience of Bezemer, Coffie and Schuder, and boys like Gabbard, Ruggles, Martindale, Farmer and Bunky Davis, the Rollins Tars should look forward to a winning season next year.

Left to right, front row, Ra Moody, Lee Martindale, Boyd Coffie, Gary Gabbard; second row, Ralph Forina, Dick Bezemer, Hal Lawler, Bob Farmer, Dale Ingmanson; third row, Coach Dan Nymicz, Stover McIlwain, Bunky Davis, Bob Schuder, Jack Ruggles.

## ROLLINS CREW CONTINUES SMALL COLLEGE DOMINANCE

Rollins crew, under the tutelage of Coach U. T. Bradley, has maintained its high rating in small college rowing with a very impressive season record.

Building his crew on the experience of returning lettermen Dick Potter, Ed Gray, Larry Breen, Bill Karlake and Moe Cody, Coach Bradley integrated two freshmen, Jim Lyden and Tim Morse along with Tom Dolan from last year's undefeated Junior Varsity to form a strong crew under the new command of Danny Laurent, freshman coxswain.

The season began in February with a great race against the University of Wisconsin that ended with Rollins winning by one and one half lengths. This was the first time in three years that Rollins has won this annual event. From that success the crew continued for seven more victories, defeating Florida Southern twice, Jacksonville University, American International College, Amherst College, Marietta

College and Tampa University. This streak of eight straight wins, a new record at Rollins, was finally clipped by a strong LaSalle College crew from Philadelphia on April 20th. At the time of publication, Rollins is prepared to defend their Florida State Intercollegiate Championship on April 27 on Lake Maitland, then one week later are off to seek a win at the Dad Vail Regatta in Philadelphia. Rollins has been second place crew at this regatta for eight years, and this time they are out to beat LaSalle College, defending champs.

The Rollins Junior Varsity Crew has also compiled a favorable record, with six wins and no losses in season races. This crew, almost entirely made up of inexperienced men, are out to defend their state and Dad Vail Championships, both of which were won last year. This year's Junior Varsity includes Harry Glass, Bob Hartman, Dan Ostrander, Dick Barnes, Bob Schuder, Bill Bentley, Nat Mendell and Bob Todd, with R. L. Smith at the reins in the coxswain's seat.

THE VARSITY CREW includes, left to right, Dick Potter, Ed Gray, Jim Lyden, Tim Morse, Danny Laurent, Tom Dolan, Larry Breen, Bill Karlake, and Moe Cody.

# ROLLINS NETTERS COMPILE ENVIABLE RECORD

Norman Copeland, Rollins youthful tennis coach, once more turned out a winning team for the 1957 season. Overcoming the loss of veterans George Longshore and Memo Garcia through graduation as well as Guy Filosol by NCAA eligibility rules, the Rollins net team achieved an enviable and commendable record.

Ben Sobieraj, an experienced and returning letterman, occupied the number one spot at which he performed in the fashion that earned him his position. Jose Ochoa, versatile young Mexican star, filled the number two spot while Vincente Antonetti followed as number three man. Freshman Dave Hewitson, junior letterman Phil Lubetkin, and Gene Foster rounded out the Rollins sextet.

Sobieraj and Ochoa, Rollins one-two punch, teamed as the top doubles team with Coach Copeland experimenting with the other squad members for the remaining two teams. This resulted in the Lubetkin-Antonetti duo moving to the number two slot, while Gene Foster and freshman Steve Mandel joined forces at the third position.

The 1957 schedule saw the Tars sidelining such powers as Duke, Michigan and Georgia; while losing only to Miami's Hurricanes and Princeton's Tigers. Matches with highly regarded Lamar State of Texas and Indiana were unfortunately by-passed because of deplorable weather conditions.

The team participated and made a wonderful showing in the Florida State Open and Closed Championships, with the Tar's top singles player, Ben Sobieraj, winning the State Open Singles title by overcoming Germany's Peter Scholl in the finale.

The Rollins netters, ably coached and properly trained by coach Copeland, battled through a strenuous schedule and produced a brand of tennis responsible for Rollins' place in the limelight of intercollegiate tennis.

Other players participating in varsity matches were: Mead Goller, Burnam McLeod, Steve Mandel and Manager Bob Zumft.

## WATER SKIING

The Rollins Varsity Water-Skiing Team is formed from members of the physical education water-skiing classes under the direction of Mr. Suydam. Mr. Suydam watched the classes ski and then chose the most capable and talented on the ski-boards for membership on the varsity team. The team then began practicing traveling with ease and skill over the waves, concentrating on slalom methods and trick techniques. On May 11, the skiers and Mr. Suydam traveled to Cypress Gardens in Winter Haven for the annual intercollegiate water-skiing tournament. On their arrival, they entered both the difficult slalom and trick events which called for skill and co-ordination as they spun over the waves. The competition was fierce but their many hours of practice (especially on Sundays) held them in good stead. And despite the sudden advent of sailboat obstacles whipping about Lake Virginia, they had managed to become expert in the tricks of the trade.

VARSITY GOLF TEAM, left to right: Ron Terpak, Bob Craig, Dick Diversi, Bob Ross, Joe Miller, Ed Dinga, Jim Curti.

The Rollins linksmen had one of their greatest years behind the playing of Bob Ross, Dick Diversi, Jim Curti, Ed Dinga, Bob Craig, Ron Terpak, and Joe Miller. The only senior on the team is Ed Dinga, which means that next year's season should be equally as good as this year's. Ed was a valuable asset in third position, and many of his clutch shots pulled his teammates out of trouble.

Rollins had one of the best teams in the nation. This was shown by their 11 wins, 2 ties, and only 2 losses to Florida State. This year's team faced a tougher schedule than any other link squad in the past.

Bob Ross, playing first man most of the season, was outstanding in his play. He was high scorer for the year, and won 15 individual matches, losing 2, tying 1. Dick Diversi, Maine amateur champ, 5-1, 55, 56, played second spot. Dick was just a freshman this year, so Rollins will be seeing a lot more of this impressive golfer. Jim Curti, the Tar with more eagles to his credit than any other, played fine golf all year long with a true "will to win" for Rollins. Bob Craig, a consistent winner at fourth slot, took on all comers. Bob teamed most of the time with the longest hitter of the group, Ron Terpak. Ron deserves a lot of credit for the wins this year as more than once he dropped in that last big putt that spelled victory. Playing in the alternate position was Joe Miller. Joe, a transfer, wasn't eligible to play until almost one-half the matches were over, but he proved his worth with many wins.

When we brag that Rollins has one of the top teams in the nation, we say it sincerely. The Rollins linksmen played as a team, beating out their opponents and not worrying about individual scores. This is the kind of team that the school can be proud of—real winners right down to the last shot!

With six lettermen returning next year, there can be no doubt that our golf team will again be one of the finest in the country.

## FALL TERM INAUG

THIS FALL the avid Tar sport fan was treated to the birth of a Rollins Soccer team. Under the tutelage of Coaches Dean Justice, President McKean and Mr. Herbert Hellwege, the fall turnout was remarkable. Within two short weeks, 30 eager Rollins men were organized, schooled in the rules and regulations of the game, and then put on the field to show how much they could do.

In their first season game the Tars bowed to the University of Florida Soccer Club, 6-1. The Rollins eleven then played the Coral Gables Club which was a group of men, not necessarily college men, who have been playing soccer for competition's sake and not as a college varsity sport. The Tars' performance considering this factor was quite commendable as they lost 9-2. Denny Learned, center-forward and captain, and Philippe Mussard scored the Rollins' goal.

Perhaps the most exciting game of the newly-born schedule was the encounter in which the Tars were within 15 seconds of defeating Florida Southern but had to settle for a 2-2 tie in Central Florida's first intercollegiate soccer game. A great deal of credit should be given to Co-captains Denny Learned and Larry Hoyt, Phillippe Mussard, Mosely Waite, Jim Lyden, Roberto Muvdi, Emilio Lebolo, Ed Flory and Jim Weber for inaugurating a Rollins sport that will definitely be a sport of the future.

# ROLLINS COMPLETES LATE SEASON SPLURGE

As the Tomokan goes to press, the Rollins Tars have posted only a 8-11 record for the 1957 baseball season, but seem squared away after an early slump to make a race for the Florida Intercollegiate Baseball crown.

The Tars have posted a 2-2 F.I.B.C. record with seven conference games to play. With only two regulars lost from the 1956 team which won 17 of 26 games, this season was viewed optimistically by followers of the squad who hoped for a return to the N.C.A.A. playoffs where the Tars had appeared four times in five years.

But a series of misfortunes, starting when ace righthander Hal Lawler and lefty Jack Powell were sidelined with sore arms, and culminating with second baseman Ron Paiva's broken leg dimmed these hopes.

Paiva, a three year regular, was expected to steady an infield weakened by the loss of All-American Nick Vancho. Slick-fielding-Nick, Rollins' top hitter in 1955 and 1956, was replaced by Bob Richmond, whose previous experience was at third base.

Demoralized by the weakened infield, the Tars lost eight of their first ten games, despite hurlers Bunky Davis, Stover McIlwain and Chuck Allen. Righthander Harry Bennett was a victim of the slump, losing three complete games, including a two hitter.

With Lawler, unbeaten nine game winner in 1956, and Powell returning to the mound, Rollins shook its slump. Powell beat Amherst and Miami and Lawler beat Michigan State while Bennett won two games. Lawler's first loss in two years, to Miami, and a close loss to Florida ended the Rollins' hot streak.

Several bright spots pointed towards a possible F.I.B.C. crown. Bennett, Lawler, and Powell gave the Tars a top hurling staff, while Ed Overstreet seemed an answer to the second base problem. Two homers apiece by Elmer Lott and Frank Willis, a grand slam home run by Boyd Coffie, and another home run by Al Fantuzzi showed potential power existed in the Tar lineup to supply the punch missing since the graduation of Vancho and Jim Doran.

BOTTOM ROW, left to right, Jack Powell, Chuck Allen, Phil Galante, Frank Willis, Ron Paiva, Bunky Davis, Elmer Lott, second row, Ed Flory, Bill Dunnill, Bob Usseglio, Al Fantuzzi, Bob Richmond, Jack Gaudette, Ed Overstreet, Jim Johnston; third row, Harry Bennett, Boyd Coffie, Stover McIlwain, Bob Farmer, Hal Lawler, Bob Schuder, J. C. Strange, Barry Barnes, Ralph Farina.

## SIGMA NU CAPTURES INTRAMURAL FOOTBALL CROWN

Touch football once again returned to the fall intramural scene after a four year absence. After slightly altering the rules and regulations, the fall season got under way. With the main obstacle being a red flag, many of the rougher boys were seen sprawled out all over the field in a vain attempt to grab that elusive flag.

The two teams that provided the fall spectator with as much excitement as one could hope for were the league champions Sigma Nu and the X Club. No one will ever forget that deciding game between these teams as they both played a brand of football, the likes of which has never been seen on this campus before. The Sigma Nu backfield of Tommy Hulihan, Elmer Lott and Frank Willis and their powerful line composed of Ed Gray, Tom Dolan, Jim Johnston and Jim Buchanan gave the X Club as well as the rest of the league a thorough lesson in the art of touch football. Dick Williams and Jim Doran were season-long standouts for the X Club.

CLOCKWISE: Tom Dolan, Ed Gray, Ron Paiva, Frank Willis, Tom Hulihan, Elmer Lott, Bud Trolor.

## X CLUB AGAIN CAPTURES INTRAMURAL BASKETBALL

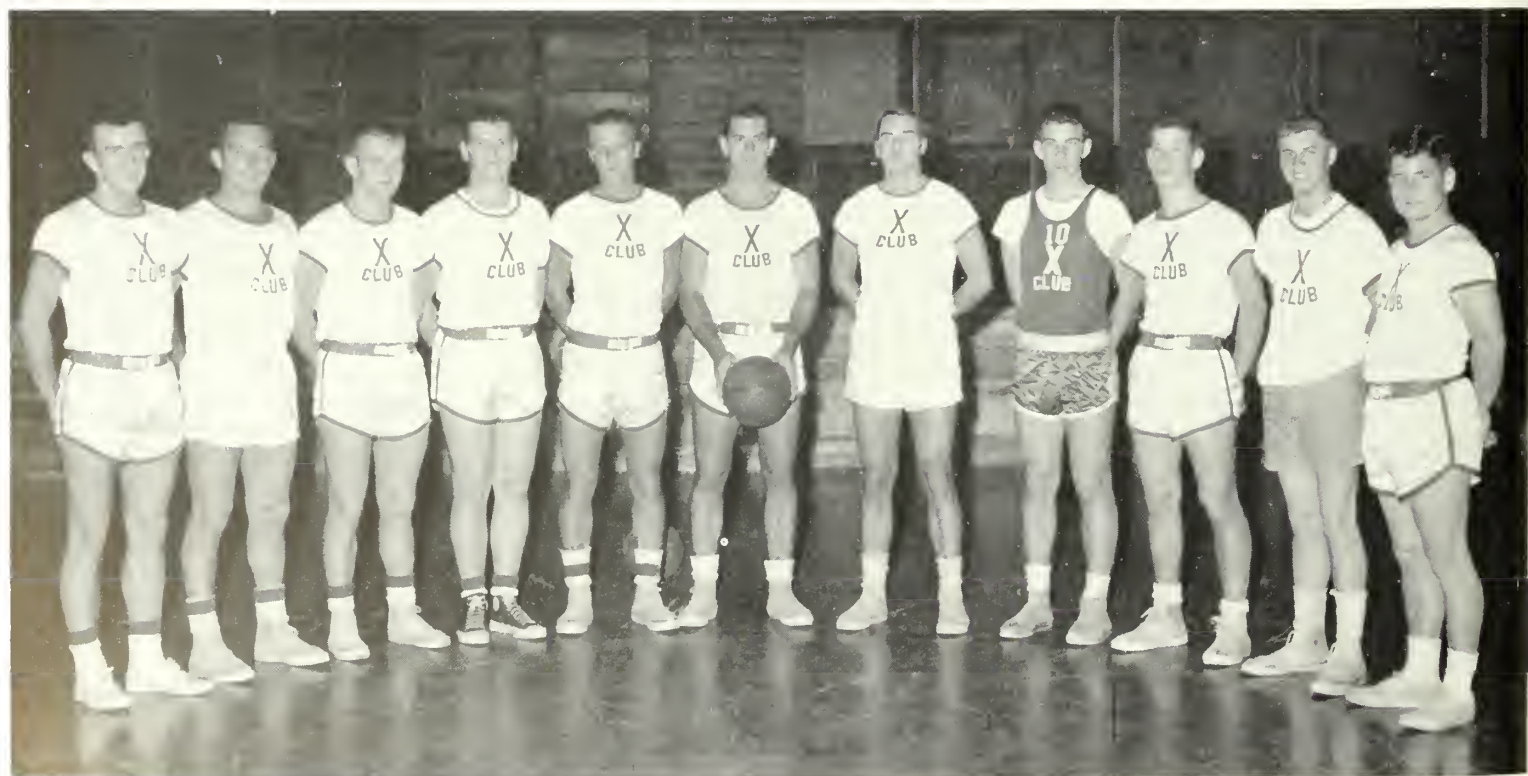

JIM DORAN snares rebound in game against Snakes.

Opening the winter season were the intramural tennis matches which were won by the Kappa Alphas. The singles division saw Gene Foster of Kappa Alpha defeat Steve Mandel of Delta Chi in a grueling three set final which clinched the intramural cap for the KA's. Gene then teamed with Bob Zumft to capture the doubles, also.

Returning from Christmas vacation the hardwood of Rec Hall was the center of attraction for basketball fans. The league was especially well balanced with the exception of the X Club who captured their seventh straight title in as many years.

Perhaps the highlight was the Tars All-Star win over Stetson, 63-61, in the traditional intramural game of the year. Jack Gaudette of the X Club was the definite standout of the game.

Rounding out the winter season was volleyball, in which the X Club remained as the champs once again. The team of Bezemer, Ruggles, Durant, Doran, Gabbard and Martindale combined their talent to go undefeated.

X CLUB, left to right: Bill Dunhill, George Kosty, Jack Gaudette, Bob Richmand, Ed Dinga, Jim Doran, Hal Durant, Bob Lerner, Sid Abel, Joe Miller, Dick Williams.

## SOFTBALL, GOLF, SWIMMING HIGHLIGHT SPRING SEASON

The spring intramural season once again provided the fraternities with an intense amount of competition.

Softball was the main attraction and as of this writing the X Club remains at the top of the league after defeating their closest competitors, Delta Chi. The X Club team of Chick Bezemer, Jack Ruggles, Gary Gabbard, Pat Tahaney, Matt Sinnott, Bob Farmer and Len Wood proved to be too much for the league. Other outstanding ballplayers in the league were fast-balling Jack Bolinger of Delta Chi, Ra Moody and Bud Traylor of Sigma Nu, Buz Smith, KA and Phi Galante of Lambda Chi.

Intramural golf provided another close match with Delta Chi's Ken Pahel besting X Clubber Les Sladkus. This was the second consecutive year that Pahel reached the final round. As of this writing swimming has not been completed.

## THETAS COP BASKETBALL INTRAMURAL CROWN FALL TERM

THIS YEAR'S BASKETBALL season was a good one. At the end of the allotted period, it was Kappa Alpha Theta again on top for the intramural crown. And it was Theta again on top of the contest between the All Star team, chosen from the top players from all the other teams, when these two came to battle (although the difference was only a heart-breaking one point). Chosen for the varsity basketball team were: forwards, Rainy Abbott, Helen Carrell, Bev Nabers, Betty Van Mater and Betsy Brown and guards, Sue York, Sid Kromer, Roma Neundorf, Lucille Harvey and Julie Van Pelt. This year the gals journeyed to Charleston, S. C. where they played a college team. This year the women's varsity team split even on the win-loss column with a 2-2 record.

LYNNE AND SID make a vain attempt to grab the ball, which seems to be heading more in the direction of waiting Julie Van Pelt.

ALL-STARS AND THETAS battle it out for top honors as champions of the Intramural basketball league.

## ALPHA PHI TOPS ALL OTHERS IN SOFTBALL COMPETITION

RAINY STIRS up the sand sliding into first base in a close play as Betty reaches for the ball.

Composing the main part of the winter term sports schedule for the girl's intramural teams is the softball competition. Playing long and difficult games on the Sandspur Bowl, the girls often found themselves playing even after dark in order to finish up an exciting five innings of batting and fielding. Behind the excellent pitching of Anita Wadsworth, the members of Alpha Phi this year again retained the softball trophy they gained possession of during last year's competition. Coming in second and third to the Alpha Phis were the teams of the Independent Women and Kappa Alpha Theta, who played a thrilling game in their duel for the second place spot. Chosen at the end of the season to compose the women's varsity softball team were Joan MacLelland, Betsy Brown, Lucille Harvey, Roma Neundorff, Rainy Abbott, Anita Wadsworth, Mary McKeever, Sue Jones, Sue York, Marny Toms and Nancy Haskell. And as soon as the softball season was over, the gals began preparing themselves for the spring season ahead. Tennis started almost immediately and those named to this varsity team were Owen McHaney, Julie Van Pelt, Lynn Egry, Joan MacLelland, Rainy Abbott and Lloyd Hoskins.

SUE JONES, PHI MU, takes a chunk out of the Theta-pitched softball to chalk up another run in Theta-Phi Mu game.

## SPRING SPORTS SCHEDULE HIGHLIGHTED BY VOLLEYBALL

Perhaps the busiest time of the sports year for the girls in intramural competition is in the spring term. For it is then that they can be seen almost anywhere, dividing their time between volleyball, golf, swimming and archery. Playing a tight schedule this year, girls were found playing volleyball every Monday, Wednesday and Friday afternoons, with the Thetas coming out on top after the dust from the courts had finally cleared away in a grand finale of spikes and fast services. The members of Kappa Alpha Theta again walked away with victory in golfing action with their top team of Bev Nabers, Roma Neundorff and Rainy Abbott. And the members of Kappa Alpha Theta were again victorious in the two remaining intramural contests of the spring term. Saturday afternoon found them on the archery range taking top honors as distaff Robin Hoods' arrows found their mark. And again on Sunday, the KATS took to the water, and Lake Virginia hosted their victory as the gals provided top competition in the swimming meet. With these victories behind them, the Thetas again found themselves on top of the intramural ladder to again claim the silver O'Brien Intramural trophy.

# FRESHMAN SHOW

"UNDER PARIS SKIES," a swinging show of music and dancing, with a bit of a story, was this year's annual freshman show. Rec Hall was packed to capacity as the audience thrilled to a large cast performing against a background of original tunes and much merry-making. Directed by Joan Brand and Alicia Jacobus, the show starred Pat Foley and Chuck Morley as they wandered through the two Parisian-type settings. Most of the original music was written by Linda Carroll; set design was directed by Sid Burt; costumes were designed by Jody Boulware and Mary Whitman; Tom Moore did the choreography; Ken Kramlich was in charge of the sound and Mark Tiedje worked with lighting. Proving a big success, "Under Paris Skies" featured a wide variety of talent which Rollins might well hear from in the very near future.

# SHAKESPEAREANA

"SHAKESPEAREANA," one of the highlights of the Rollins year, made its eleventh annual performance this year at the Annie Russell Theatre, due to being rained out of the usual Strong Hall Patio. Directed by Mrs. Nina Oliver Dean, members of her Shakespeare class staged "songs, scenes and soliloquies" from many of the famous bard's best-known plays. Appearing in "Shakespeareana" were Pete Adams, Liz Otis, Caroline Aubry, Ann Bowers, Mike Crecco, Ann Derflinger, Jon Dun-Rankin, Bob Eginton, Mary Jane Doar, Delle Davies, Sandra Fogarty, Lynne Kaelber, Ford Oehne, Ken Pahel, Bill Smith and Clark Warren. Orange girls wandered through the crowd exchanging their wares for a quotation from those who had "brushed up on their Shakespeare." "Shakespeareana" was staged through the assistance of the Conservatory of Music, Radio Station WPRK and Peter Dearing and the Rollins Theatre Arts Department.

# TALENT NIGHT

TALENT NIGHT winners from the show of last year again copped top honors in this year's performance. The Gamma Phi Betas and the Sigma Nus were repeat winners in the annual evening of talent on the Annie Russell Theatre stage. This gives each group two legs on the coveted trophy given each year to the winners of the fiasco by the Independent Men's group. Burlap-clad Gamma Phis sang and danced their way to the top in a mountainy take-off of a Hillbilly Hoedown" while the Snakes donned a variety of costumes to portray the life history of the keyboard in a skit entitled "The Story of the Piano." Between each act, emcees Bob Eginton and Garry Goldfarb entertained the crowded auditorium with their humorous comments and jokes. Judging was based on originality, staging, talent and completion of the act within the ten minutes allowed, and judges were selected from among the faculty and townspeople. Chairman of the Talent Night for this year was junior Sandy Brickman.

## FOUNDERS' WEEK

---

FOUNDERS' WEEK this year was highlighted by the unveiling of scale models of three new building additions to the campus. First presented at the Founders' Week dinner at the Wyoming Hotel in Orlando, the buildings are to be built next year. Highlight of the Week's festivities was the annual Animated Magazine, enjoying its 13th publication. The only magazine that comes alive, it was presented in the Annie Russell Theatre and Knowles Chapel due to its being rained out of the usual performance at the Sandspur Bowl. Those who spoke on Animag were Rear Admiral Gene Markey, historical novelist and former naval leader; Monsignor Bela Varga, president of the Hungarian National Council and exiled speaker of Parliament of free Hungary; Dr. You Chan Yang, Korean Ambassador to the United States; Sir Saba Habachy, international lawyer and Egyptian statesman; Sir Richard Livingstone, former chancellor at Oxford and visiting professor at Rollins; Roy Crane, creator of Buz Sawyer, and Jo Ollie Edmunds, Stetson University president.

NEW OFFICERS of the Rollins Alumni, Inc. are photographed just before the annual business meeting in February. They are Richard O. Baldwin, second vice-president; Barbara E. Cheney, secretary; William J. Brant, first vice president; Alice M. Egan, president and Thirza Fluna Bissan, treasurer.

RAY KIRK, executive director of the Rollins Alumni, Inc. and his assistant, Mrs. Clair Kent, check with the addressograph plates for names of Rollins alumni.

The Rollins Alumni Incorporation plays an important part in the functioning of Rollins College. Founded in 1890 by Miss Clara Louise Guild, the first graduate of Rollins, and receiving its charter from the State of Florida in 1953, it now directs its official functions and activities from Dyer Memorial Hall. With the plans originating and solidifying in Dyer, the group concentrates most of its activities on sponsoring the annual fund-raising activities for college use. It also spends much of its time publishing the alumni quarterly, "The Rollins Alumni Record," makes arrangements for an Alumni Day Luncheon given during Founder's Week, and organizes the annual Sunrise Breakfast for the graduating seniors which is given on graduation day. This year the alumni spent many of their hours in preparation and last-minute planning for the first formal class reunion and homecoming which was held April 26, 27, and 28. A tremendous help to the college in many ways, the Rollins Alumni Incorporation remains constantly interested in the college finances and functions, and is always ready and alert for the opportunity to work cooperatively on some project on the behalf of Rollins College. The members have given unstintingly of their time in years past and present to furthering the progress of and bettering the quality of the college.

THE WINNERS of the women's division of the parade are the PHI MUS, depicting "Alice in Wonderland."

DON COBB blows real cool jazz at the jazz concert given Sunday at the Student Center.

"IT'S FIESTA TIME" was the cry April 4th, 5th, 6th and 7th as Rollins staged another annual gala weekend of fun and profit. Beginning with the Parade through downtown Winter Park and Orlando, continuing with a baseball game and crew race the same day, the gaily lit midway Friday night, the fabulous "Manhattan Towers" dance Saturday night at the Bahia Shrine Temple in Orlando, and terminating with the Fiesta Jazz Concert in the Student Center Sunday afternoon, this year's Fiesta proved to be one of the most profitable ever. New features inaugurated by Chairman Joan Bennett and her Fiesta Committee this year were the additions of a rummage sale, a "Car Wash with a Kiss" and a style show. Winners of the Parade were the floats of Phi Mu with "Alice in Wonderland" and the Sigma Nus with "Swan Lake"; claiming crowns at the dance were King and Queen Ford of the House of Oehne and Judy of the House of Howard; the gay midway, although rained out on Saturday night, netted a good profit — with Delta Chi and Phi Mu taking top honors as the best money-making and best-decorated, respectively; Don Cobb, originally a Rollins student but now at Yale, more than proved his merit at the "cool" session in the Center Sunday afternoon. Of course Fiesta is not all "fun." Each year, receipts from the weekend are contributed to a large number of students as Fiesta Scholarships. This combination, combined with the spirit of the "Rollins Family" at this annual weekend, again this year provided a Fiesta Week "bigger and better" than ever before.

TORTILLA FLAT, presided over by President McKeon, is a midway highlight.

KAY KLEIN was one of many models appearing at the Saturday afternoon fashion show.

FIESTA KING AND QUEEN CANDIDATES ARE: first row, Barbara Howell, Kappa Alpha; Nancy Stevens, Lambda Chi Alpha; Patty Stevens, SSS; Judy Howard, Sigma Nu; Emily McGiffin, Delta Chi; Juanita Cameron, X Club and Shelby Hiatt, Independent Men; second row, Bob Pratt, Independent Women; Denny Learned, Pi Phi; Jacque Mitchell, Chi Omega; Dick Mansfield, Gamma Phi Beta; Ford Oehne, Kappa Kappa Gamma; Larry Lavalie, Theta; Philippe Mussard, Alpha Phi; Clark Warren, Alpha Omega and Pete Kimball, Phi Mu.

At the picnic on Friday evening, the largest number of alums to descend on the campus at one time, attended a picnic luncheon on the waterfront. The Gay Nineties Luncheon for alumni of their period 1885-1889 was held Saturday at the Parsonage, at which housemothers were hostesses. Saturday evening, class reunions took place at the Imperial House, the Langford Hotel and the Barbizon. At the latter affair, which composed all classes except 1927 and 1952, Charles A. Noone was Toastmaster, and there were also speeches by Dale Montgomery, Lee Wood, Pete Adams, Bob Whitelaw, Tom DiBacco, Frank Wolle and President McKean. Lambda Chi members provided entertainment in the form of song. Culminating the first formal Class Day reunion was the Charter Day Convocation, addressed by Olcott Deming, '35.

AND THERE THEY GO! Graduating seniors enter the Knowles Chapel for the last time at commencement.

SCRAP BOOK

A FIRE DRILL at 11 o'clock at night brings pajamed students out to the Center for cakes, a la McKean.

THE CHAPEL STAFF gave a rip snorter in the Student Center to welcome the new students.

AND SAILFISH invaded the campus and the "Rollins Yacht Club" was farmed for nautical aspirants.

WEST POINT also invaded the campus for a rausing discussion of the Near East situation.

EDGE can be found between "Round Rollins" and a big Rolleiflex camera.

AND JUST WHAT is your opinion on the current world crisis? Joe asks Frank, student body president, in the Center.

SKETCHES IN SOLITUDE—Underwood over ivory —were often featured at an evening at Robbie's.

"YOUR MOTHER SMOKES CARROTS"—Who knows, maybe this Dan Wilson quote will make Bartlett's

PERRY AND ANNIE step into the Hasler Tripacer for a short journey aloft.

AND THIS IS WHAT THEY FOUND—  
their olma mater from a bird's-eye view.
